

PICTURES FROM HOME AND ABROAD THROW SIDELIGHTS ON THE NEWS OF THE DAY

GERMANS SHOOT FRENCH WITH RUSSIAN MACHINE GUNS
When the Teuton armies took fort after fort in Poland they captured an enormous quantity of guns and ammunition. The picture shows some of the Maxim guns taken at Novo-Georgievsk turned against the French at Tirlancourt, on the western front.

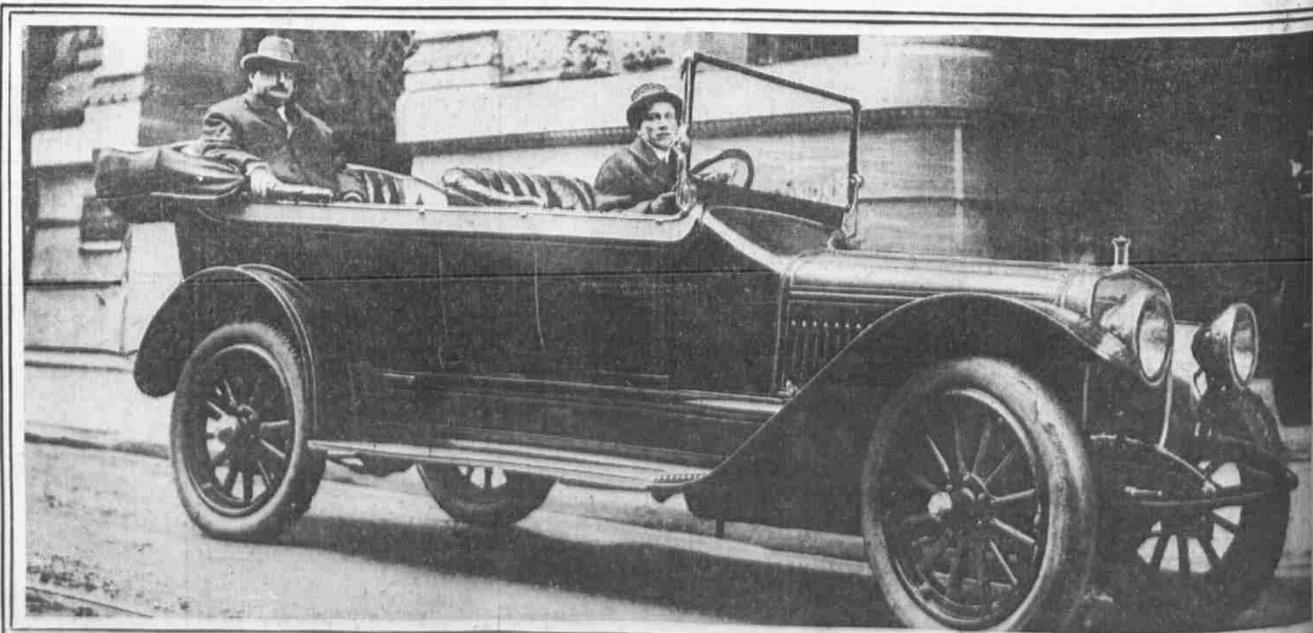

"HONEYMOON" ELEVATOR BECOMES AN EXPRESS
The big car in the northeast tower of City Hall now shoots from the first to the sixth floor, so brides and bridegrooms seeking the license bureau on the fourth floor will have to use another elevator. The express is for the benefit of sightseers mostly.

MADE FOR THE RUSSIAN GOVERNMENT
One of the great 80 H. P. military motor tractors being manufactured at Harrisburg undergoing tests in mud and hill climbing before being turned over to the Czar's agents.

MRS. BARCLAY H. WARBURTON
A member of the Philadelphia contingent resting from social and charitable activities at Palm Beach.

SENATOR PENROSE AFFECTS A BIG, BROWN MOTOR CAR
The senior Senator from Pennsylvania is a man of weight and girth, and so is his automobile. He is one of the few men who can stop on the wrong side of Chestnut street and get away with it. This snapshot was made just after the Senator had emerged from his bang.
